Fatherhood today is more than just a title; it's an active and engaged role that modern dads embrace with pride. In celebration of Father's Day this June, we recognise the invaluable contributions of fathers who prioritise family responsibilities and are hands-on in their child and family care duties.

To honor these modern fathers and the supportive partners who stand by them, we are back with **"#KhitThitPhayPhay #ခေတ်သစ်ဖေဖေ (modern father)"** photo contest.
