

Individual Membership Package (Membership Period Effective – 1 year) 300 USD per annum

Individual Membership gives your organisation access to a network of businesses across a broad range of industry sectors through a programme of regular informative events and communications, as well as opportunities for brand exposure and promotion.

Individual Membership will recognise you as an active member of British Chamber and its services. However, Individual Membership cannot be listed in the membership directory as a representative of an organisation, or a business registered in Myanmar or outside of Myanmar.

Membership Benefits - Highlights

- Access to a diverse business network of over 220 Myanmar and International companies, across a broad range of industry sectors.
