

Individual Membership Package (Membership Period Effective – 1 year)

300 USD per annum

Individual Membership gives your organisation access to a network of businesses across a broad range of industry sectors through a programme of regular informative events and communications, as well as opportunities for brand exposure and promotion.

Individual Membership will recognise you as an active member of British Chamber and its services. However, Individual Membership cannot be listed in the membership directory as a representative of an organisation, or a business registered in Myanmar or outside of Myanmar.

Membership Benefits - Highlights

1. Access to a diverse business network of over 200 Myanmar and International companies, across a broad range of industry sectors.
2. Access to market updates and business intelligence provided by the Chamber's events or electronic communications
3. Access to quarterly political and economic briefings presented by the British Embassy which is exclusively for only British Chamber's members.
4. Access to regular interactive and informative networking, business, and social and Signature events with international and Myanmar Business Communities.
5. Access to participate in Member-to-Member Benefit, receiving members' discount.
6. Access to corporate discount rates to Chamber Airline Partners
7. **Able to access British Club applying British Club Membership Card through the membership of British Chamber of Commerce Myanmar.**

Sponsorship

Member organisations are invited to sponsor individual Chamber events; either a business focused event, an informative event (breakfast briefing, seminar, workshop), or a social event (networking evenings and Signature events).

Please contact events@britishchambermyanmar.com to discuss the packages available.

Membership Criteria

- Membership is open to all UK Companies and non-UK companies who have existing trade links or are interested in developing trade links in Myanmar or the UK.
- The Chamber Board will assess each application for membership and approval of membership is at the Board's discretion.
- Members are expected to conduct business in a responsible and ethical way and the Board reserves the right to withdraw membership from a company found not to meet these standards.

Additional Information

- Membership and sponsorship fees are for one calendar year.
- Membership and Sponsorship packages are subject to change in future years.
- Event fees will vary for non-Members and Members.
