

Strategic Partnership Signing Ceremony & Executive Networking Event

Event Overview

A strategic partnership signing ceremony uniting three industry-leading training and consulting firms: Winning Life Training, Coaching & Consulting Co., Ltd., The Arts of Facilitation Co., Ltd., and SHIN Solution Co., Ltd.

This alliance marks a significant advancement in organizational excellence and business transformation services. Following the ceremony, an exclusive executive networking session will bring together top-level executives, and key decision-makers from both business and NGO sectors, fostering meaningful connections and exploring collaborative opportunities.

This gathering serves as a platform for knowledge exchange, strategic discussions, and the establishment of valuable professional relationships that will drive innovation and growth across sectors.

SHIN Solutions: SHIN Solutions Co., Ltd. has established itself as a distinguished leader in operational excellence consulting, backed by its unique position as Myanmar's recognized SCORE Training and Consultancy Services provider certified by ILO SCORE Global. Founded by expert SCORE trainers, the company stands out for its "Sustainable & Holistic" methodology that seamlessly integrates kaizen principles with lean management tools. Their distinctive approach has proven particularly effective in transforming organizations through daily continuous improvement practices.

Winning Life: Winning Life Co., Ltd. has distinguished itself through comprehensive excellence in personal and organizational transformation. The company's integrated approach combines cutting-edge training programs, personalized coaching services, and strategic consulting solutions that have consistently delivered measurable results for both individuals and organizations. With a proven track record of empowering clients to overcome challenges and achieve ambitious goals, Winning Life has become a trusted partner for businesses seeking sustainable growth and innovation.

The Arts of Facilitation: The Art of Facilitation Co., Ltd. stands as a pioneering social enterprise in Myanmar's professional development sector, uniquely combining business excellence with social impact. Distinguished by its commitment to give back up to 25% of profits to humanitarian and community development initiatives, the company delivers transformative training, coaching, consulting, and mentoring solutions across the region. Their innovative approaches have earned recognition for fostering organizational cultures built on collaboration and inclusivity, while their comprehensive service portfolio enables clients to achieve sustainable growth and meaningful social impact.
